

Give your events a different touch...

The Caves Bernard-Massard are situated in the charming little town of Grevenmacher, on the banks of the Moselle river.

As a major producer of sparkling wines by the "Méthode Traditionnelle", as well as white wines from the Luxembourg Moselle, Bernard-Massard offers an exceptional setting for your dinners, receptions, exhibitions and wine-tastings.

The available infrastructure includes three different rooms and a central hall, which can be easily adapted to suit any specific requirements.

[1] The "Ecusson" room, on the first floor, offers a beautiful view of the

Moselle river. It is an ideal place in which to organise dinners, cocktail parties, cabarets or conferences. In addition it boasts a large terrace that can be used during the summer.

[2] On the ground floor, the "Pinot Blanc" cellar offers an intimate atmosphere particularly suited to wine-tastings.

[3] At garden level, the bright and airy "Riesling" room is a beautiful setting for concerts, conferences, cocktail parties, lunches or dinners.

[4] Finally, the central hall provides the perfect opportunity to arrange a larger candlelit dinner.
